RE: All Municipal Locals that provide Social Services

On behalf of Jo-Anne Brown, Coordinator of the Social Services Sector Team, we wanted to reach out to municipal locals to relay the following message.

The Social Service Workers municipal sub-committee is wanting to connect with members who provide Social Services in the Municipalities represented by CUPE. The committee would like to expand our reach to members that may not attend the Social Service Workers Coordinating Committee (SSWCC) Conference to share the work that we are doing as a committee.

It would be greatly appreciated if you could ask or identify a member from your Local that would like to be included and updated about the work the SSWCC is doing, and who would be comfortable having their contact information shared with committee members.

Please reach out to Jo-Anne Brown (jbrown@cupe.ca) to provide your local contact information.

Thank you and in solidarity,

Michael Maddock
Associate Coordinator, Municipal Sector
