RE: Public Health Day of Action

The CUPE Ontario Public Health Workers Committee is heading back to Queen's Park on November 26, 2025, for a day of action to deliver the message to Ontario MPP's that public health is critical to Ontario communities and needs to be funded properly.

MPP's respond to public pressure – so we need your help to make sure they get our message.

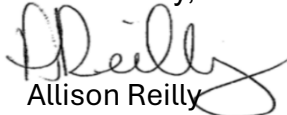

What Can You Do?

Click on the link and add your voice asking MPP's to prioritize this meeting. The health of our community depends on it!
